

Neighborhood Happenings

- ★ Thank You to all who helped on the June 1st tree planting. We had a great time and the work was completed much faster than we anticipated. The children from Kid Connection were an especially great help!
- ★ 1011 Lincoln Street, a long empty house is up for restoration. A plan was submitted to the HCPC at the June meeting. Another great house looks to be saved!
- ★ Thanks to Don Hobart for regularly mowing the 12th street side of the Lincoln St. park. We're not sure why the School Corp. has stopped mowing the park but Don's efforts have certainly helped.
- ★ 208 West 13th Street: Will this house come down soon or will it become an endlessly reported item in the newsletter. Bids were taken in early June for demolition.
- ★ 215 West 13th Street project house: The roofers have finished and the gutter men have arrived to replace all the hanging gutters. The built in wood gutters will be reinstalled in July.
- ★ Karaoke at the Tower Apartments - on the 2nd and 4th Thursday each month from 6:00-9:00pm you can try your singing skills out. Proceeds are being used to fund a new piano for their community room.
- ★ Shelly Sparks on 10th Street will be traveling to Zambia on mission work for 3 weeks beginning the last week of June.
- ★ Special thanks to a resident organizer for the wonderful organ music heard all over the neighborhood one recent early Sunday morning. We hear he didn't realize the outside speakers were turned on and he promised it wouldn't happen again.

Message from the President

The tree planting took place on West 12th Street without a hitch. The children from Kid Connection were a great help and I think they enjoyed the work. The City Employees were surprised by the number of people who came out to help. We even had help from a gentlemen who lives on the south side of town. We finished the work in record time.

We have many new neighbors this year and I'd like to welcome each and every one to the neighborhood. We'd love to meet you at the June ADNA meeting at Carolyn's.

Rob Sparks

ADNA is Taking July Off

There will be no board meeting, newsletter, or regular meeting in July. Vacations and other commitments made us realize we needed a break. However, work will continue at the 411 West 10th Street project house on most Saturday mornings. Come by and help paint!! Normal ADNA duties and events will resume in August.

Cleanup a Success! - Several ADNA members spent 3-4 hours cleaning in the Lincoln Street park on May 18th. We sprayed weeds in the walk, repaired a brick column, and cleaned up all the trash. Now, if we could just get the School Corp. to start mowing again.

Congratulations to Lori Sylvester - Lori, our longtime Preservation Commission coordinator will be taking on added responsibilities with the downtown renovation projects being done by Fortune Management. Lori will be promoting our renovated downtown area to prospective businesses.

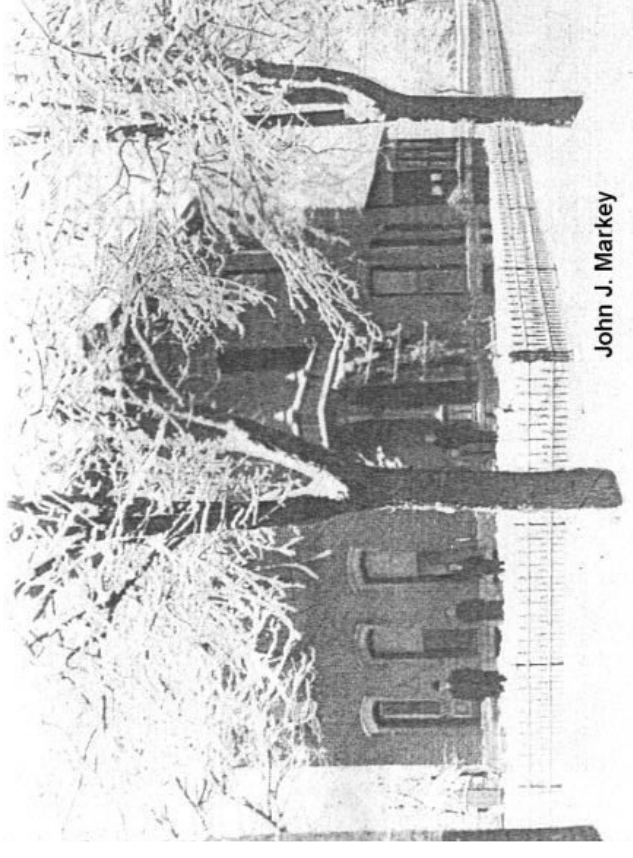

Exterior Projects in the Historic District:

Examples of maintenance: painting, roof replacement with like material (roof replacement requires a building permit city wide).

Examples of projects requiring approval: replacing or adding any windows or doors, removing architectural elements (some roofing jobs can involve this so be careful), room additions, decks, major landscaping, garage construction, sidewalks, fencing, etc.

If in doubt, call the City Planning office at 648-6163. they are always very helpful and will assist you in developing a plan that meets current district guidelines.
