

MARCH 2003 NEIGHBORHOOD NEWS

**MEETING: 310 WEST 12TH STREET
HOST: CAROLYN DUNTEMAN
WHEN: TUESDAY, 18TH AT 7:00PM**

A GRACIOUS THANK YOU TO WARD AWNING OF ANDERSON. THE HISTORIC PHOTOS IN THIS MONTH'S NEWSLETTER ARE FROM THEIR ARCHIVES. THE COMPANY HAD A PRACTICE OF TAKING PHOTOGRAPHS OF COMPLETED BUILDINGS AND WE WERE FORTUNATE TO FIND SEVERAL HOMES IN THE DISTRICT AND SURROUNDING AREA. MANY OF THE PICTURES ARE 50 YEARS OLD OR MORE. SEVERAL OF THE HOMES WERE DEMOLISHED MANY YEARS AGO, SO THESE PICTURES ARE ONE OF THE LAST RECORDS OF A TIME WHEN THEY WERE WELL CARED FOR. WATCH THE ADNA WEBSITE FOR MORE PICTURES IN THE COMING DAYS.

Message from the President:

As spring gets going we will be finishing the last few things on the Project House at 411 Historic West 10th Street. The auction day has yet to be set but our hope is to have it sold by May. Don't forget, if you know of someone interested in buying it please let us know. As far as the future is concerned we are presently looking at several options for our next house; feel free to come to our next meeting if you have any suggestions.

The Earl Sells Funeral Home in the 1940s. This building was located at 1324 Main Street. In 1915 this was home to Clayte Sells, Undertaker. So, it seems the family was in business many years.

Today is home to the Guilkey Funeral Home
Keeping with our funeral home theme, this house at 504 West 9th Street was known as the Sells and Rowe Funeral Home in the 1940s. Today, the Guilkey Funeral Home is located here.

Exterior Projects in the Historic District:

As Spring approaches, remember that exterior restoration projects may require a Certificate of Appropriateness issued by the Historical and Cultural Preservation Commission.

Exterior maintenance such as painting, roof replacement with like material (roof replacement requires a building permit city wide), and general repairs with like material, do not require Commission approval.

Examples of projects requiring approval: replacing or adding any windows or doors, removing architectural elements (some roofing jobs can involve this so be careful), room additions, decks, major landscaping, garage construction, sidewalks, fencing, etc.

If in doubt, call the City Planning office at 648-6163. They are always very helpful and will assist you in developing a plan that meets current district guidelines.
