13th Street on a Upswing?

ADNA is proud to announce that we have made a purchase offer for 220 West 13th Street in affiliation with Historic Landmarks of Indiana. The purchase will be submitted for approval at our Feb. meeting. The plan is to restore the exterior and resell it as single family home. Also, 215 West 13th Street has been purchased by an ADNA member and will be restored in affiliation with ADNA as a part of a West 13th Street kick start program. Watch for lots of upcoming work and volunteer your time! We have an abundance of demolition work to do! Contact any of the sub-committee members (Rob Sparks, John Carmer, Ernie & Ione Deollos, or Carolyn Dunteman) These work sessions are always a satisfying fun time - we try not to be too serious! Bring your hammer and a dust mask!

Message from the President

Last month I asked you to think about your level of involvement in our neighborhood. This month I want you to see how your involvement can make our neighborhood a better place to live. At this month's meeting, we will present for a vote a plan to buy 220 Historic West 13th. With Indiana Landmarks help, we will start renovation of this 1915 craftsman style home immediately upon taking ownership. A full plan and time table for restoration will be available at the meeting and we welcome all who want to get involved to come and show your support. We will continue to work on the project house at 411 Historic West 10th, but feel that this window of opportunity should be moved on. So send in your yearly dues and support this great project. We all win with preservation!

Rob Sparks

New Officers: Elections were held at our February meeting. Bob Swango will be the West 13th Street Chairperson and Ione Deollos will assume Treasurer duties. All of the other officers are the same as last year.

We do need an additional volunteer to help with West 10th Street newsletter delivery. Any takers? Volunteers need not live on the street they deliver.

Tip of the Month:

We've been coming up with these tips since October and it's sad to report that not one person has received a free ADNA coffee mug! Frankly, we're running dry. Surely someone has a time saver they'd like to share with everyone!

Send us your tips! If used in the newsletter you'll receive an ADNA mug!
