West 10<sup>th</sup> Street was decorated with luminaries from Brown-Delaware to 411 West 10<sup>th</sup> St. (our project house). The Central Community Chapel was open for refreshments as well. Many other events occurred within the community in combination with the Crystal Arch dedication. Thanks to all who helped organize this event!!

### Help Keep Random Vandalism Down!

It has been suggested that all of the neighbors turn their porch lights on at night. This will let people know we're watching. Let's try it!!

### Historic Commission Actions at Nov. Meeting

Denied a petition for changes to ??? West 8<sup>th</sup> Street. This is a highly rated structure which the commission felt needed to be preserved. The owners had requested removal of the garage doors and installation of windows for their business operations.

## Message from the President

I hope you had a good Thanksgiving and enjoyed the winter tour. After many months of work and thousands of dollars, the "Crystal Arch" looks pretty nice. You should take the time to walk past it if you get the chance. Our part of the tour worked out well as did the open house at the Community Chapel at 231 West 10<sup>th</sup> St. I would like to thank the neighbors who helped and Pastor Green for making it a success.

Now, a couple of reminders. First don't forget the holiday party at John Carmer's house, we really want to see you there. And, lastly, if you haven't checked out our web site, do it today. During the last twenty years Jeanne Jones has collected photos of Anderson. With the help of our webmaster, John Carmer, we can now share them with you. This is the only place I know of with a photo history of Anderson and the site changes weekly as new items are added. So pull up a chair and grab your mouse - you are in for a treat. Thanks John for your work and Jeanne for collecting a part of Anderson history which can't be replaced. Your work will show a part of Anderson's past for many years to come.

 **HAPPY HOLIDAYS TO ALL!**

 *Tip of the Month: Keep those expensive paint brushes in good shape! After a thorough cleaning, wrap the bristles in newspaper and secure with rubber bands. This will prevent the bristles from splaying.*

*Send us your tips! If we use it in the newsletter you will receive a free ADNA coffee mug!!*

## Remember When

1011 Jackson Street in 1917.

and home was used as the Y.W.C.A. from about 1915 into the 1950s when the current building was built at West 11<sup>th</sup> Chase St. The home sat just North of what is now the initial building at the corner of West 11<sup>th</sup> and Jackson St. It was demolished in 1960 to make way for drive-up banking services (these are gone as well – the lot is used for parking now).

See an article about this home from Sept. 7, 1960 – go to the Jackson Street page on our website.

### Tim and Billy's Salvage Store

If you are familiar with Tim and Billy's should be aware they have moved to 2442 Central Avenue in Indianapolis. This is 15 blocks north of their former location. For those of you unfamiliar with this shop full of antique house parts, get your trucks and cars to Indy. Tim and Billy's is full of every conceivable old house part – doors, windows, clawfoot tubs, sinks, woodwork, plumbing parts, mirrors, fireplace mantels, brackets, wrought iron, etc. There are just too many things to mention.

If you happen to attend the ADNA holiday party, ask the host if he found his stairway parts – the answer will be Tim and
