Neighborhood Happenings

Steve and Katie Gore at 431 West 10th St. are making great headway on painting their house. After a long summer removing replacement siding, scraping, sanding, repairing, and priming, the job appears to be well worth the effort. Great job!!

Have you seen the newly reopened porch at 339 West 10th. The Johnsons will have the new porch finished by the end of October. A great save!

Message from the President

Hi Neighbor,

I want to turn the spotlight toward the Lincolnshire Apartments at the corner of Lincoln and 12th Streets this month.

The new owners have really worked this last year on making it a wonderful place to live again. I received a call a few weeks ago from a tenant who gave great reviews of the building. She said that it was much quieter and that the management had really worked to find good renters. If you have not had the chance, stop by and say thanks. As you may know, the building was in need of major renovation. They have worked nearly a year on the inside. Plans include repair of the outside windows and brickwork still remaining along with the restoration of the wooden front door. When finished we will have yet another historic jewel that will greatly add to the value of surrounding homes. I would like to thank the Lincolnshire owners for the work done and the plans for the future.

We all win with historic preservation.

Rob Sparks

This month we're devoting some extra space, unbeknownst to the President, to show some of the properties Rob Sparks and Roscoe Inc. have restored in recent years. Rob was recently nominated an Image Award by the Chamber of Commerce and we thought appropriate to celebrate. Congratulations Rob!!

Tip of the Month: What? No tip this month? Send us your tip and if we use it in the newsletter you will receive a free ADNA coffee mug!!

Rob is the current ADNA President and has actively restoring and renovating several properties. Here me before and after shots:

133-135 Historic West 9th Street

137-139 Historic West 9th Street

309 Historic West 10th Street

Historic West 10th Street was one of the most unsightly ings within the district. An incomplete previous renovation left by the former owner, made for a terrible eyesore.
