

## Project House Update

Progress continues on the property at 411 Historic West 10<sup>th</sup> Street. All apartments are now rented which contributes greatly to our project budget. A big thanks to our tenants for putting up with all our mess and noise.

Our goal is to have the front completely scraped, sanded, and fully painted before winter arrives. As always, if you have a little spare time, contact one of the committee members below; we can always use a little extra help.  
Remember, this project benefits everyone!!

### Recent Donations:

- Thank you to Jim & Sarah Johnson on 10<sup>th</sup> St.

People and businesses that have been at the house recently (in addition to our committee members): David Lines, John Sparks, Stephen Townsend, Greg Smith, Justin Bixler, Roscorp employees, H & H Appliance, and West Electric. Thank you!!

Project House Restoration Committee Members: Rob Sparks, John Carmer, Ernie and Lone Deollos, and Carolyn Dunteman.

## Information Concerning the HCPC

The Historic Commission or HCPC is regulated by city ordinance with members appointed by the mayor and is not associated with ADNA. Remember, any exterior changes to your home within the historic district must be approved by the HCPC (with the exception of general maintenance, repairs with same materials, and painting). If you have any doubts, call the City Planning Office at 648-6163; they will be happy to assist you and can offer assistance in planning your project to meet guidelines.

## The Back Page

- ADNA now has an e-mail address: [adnahome@home.com](mailto:adnahome@home.com) Have a question, tip, or would like your newsletter sent via e-mail? Send your request or information and you will receive a prompt reply.
- Do you have any old pictures of your house or of the neighborhood? ADNA would like to make copies for our records.

## Message from the President

Hi Neighbor,  
As you may have noticed, we have a new look for your newsletter. We will keep providing regular information such as meeting dates, agenda, street chairpersons, and current news. In addition, a calendar of important dates, tip of the month, a report on the Historic Commission (HCPC), and various other information will be added. With this column I hope to share some of the details of what's going on in the neighborhood. I, like many of you, am so busy that weeks may go by and I seldom stop to talk or even say hello to anyone. The appearance of "clicks" seem to have taken center stage; this will no longer be the case. Although I cannot talk to each of you every month, I can write a few words about all the great things that are happening in our neighborhood and invite you to join in. In closing, I would like to thank Carol Carlson and Paula Dalton for their many years as members of the ADNA board. Both are pursuing personal passions, Carol writing and Paula painting; both will be missed as members of the board. Carol and Paula were on the board when ADNA first helped to restore 316 West 14<sup>th</sup> St. and later purchased 411 Historic West 10<sup>th</sup> St. for restoration, they both worked on the annual calendar, and were involved in countless home tours, just to name a few of their many contributions. With their leaving, we could use some more volunteers! Now is your chance to get involved, all are welcome, just give me a call [hey, that kind of rhymed!].

*Rob Sparks*

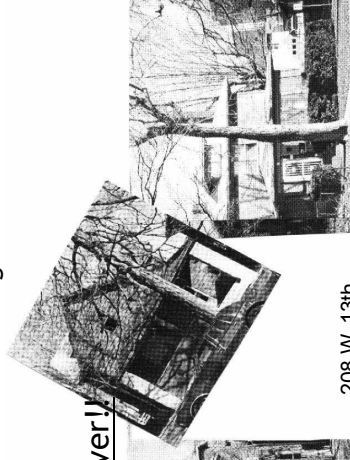

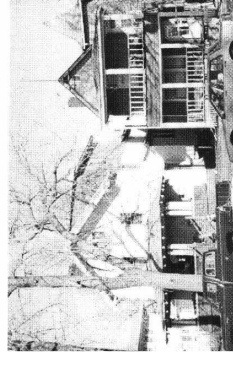

## Neighborhood Happenings

- Jim & Sarah Johnson on 10<sup>th</sup> Street are preparing to return their front porch to the original state. The porch was closed in during the 60's or 70's, detracting from an otherwise wonderful house. Following approval by HCPC in Sept. expect a new "old" look!!

### Historic Commission Actions at August Meeting

- (The September Commission meeting will be on the 17<sup>th</sup> at 4:30pm in the City Council Chambers at the City Building.)
- Brian and Julie Morson at 334 Historic West 10<sup>th</sup> Street were given approval to replace inappropriate metal porch railings with more accurate wood railings. They have recently painted their house as well - it looks great!!
  - The property at 208 Historic West 13<sup>th</sup> Street will soon be history. A sad end for a house which has stood vacant and abused for nearly 20 years. After much soul searching, the Historical and Cultural Preservation Commission (HCPC) granted permission for demolition at their August 2001 meeting.

### Another House Lost Forever!

208 W 13th

### Upcoming Neighborhood Projects

- Trees for 12<sup>th</sup> Street: ADNA is funding one-half the cost of replacing dead or missing trees between the street and sidewalk. A matching grant through the Economic Development zone has been approved for the remaining cost. Our thanks to Jeanne Jones and Carolyn Dunteman for doing the required paperwork.
- Do you own a property in need of restoration? We are always on the lookout for a good deal! Maybe ADNA can help!
- Do you have news to share? Contact us at our e-mail address, post office box, or contact your Street Chairperson!

What do you think of our new expanded newsletter format? Let us know! We've tried to pack in more valuable neighborhood information, news, and tips. Do you have something you'd like to see in the newsletter? Contact your Street Chairperson!

*Tip of the Month: Did you know that latex caulk makes a great window glazing? Just use regular siliconized caulk for quick repairs to small areas of missing glazing - let it dry and touch up the paint - job complete!! (Send us your tips and if we use it in the newsletter you will receive a free ADNA coffee mug!!)*
